Subject: Distributor Announcement

Dear Sir or Madam:

Crane Aerospace and Electronics is pleased to announce that Blue Aerospace LLC has been appointed as exclusive stocking distributor for all Foreign Military Customers of Crane Aerospace and Electronics products for worldwide territories with the exception of Japan. This Distribution Agreement is effective as of 1 July 2021 for a period of five years. Blue Aerospace supports all Crane Aerospace and Electronics military LRU's, accessories, Repair and Overhaul and detail piece parts, including the systems and components manufactured by the companies listed below:

ELDEC (08748)

HYDRO-AIRE (81982)

LEAR ROMEC (51663)

For future requirements, please contact: crane@blueaero.com.

Thank you for your continued interest in Crane Aerospace and Electronics' portfolio of products. We look forward to fulfilling your requirements via Blue Aerospace.

Sincerely,

Kristen Buchan
