

LED Lighting Conversion Kit C-130 / L-100

Manufactured by....

HOFFMAN
ENGINEERING
Innovative Trusted Solutions

Blue Aerospace is pleased to offer complete LED lighting conversion kit for C-130 fleet worldwide. LED is energy efficient, safer, sturdier, longer lasting, easy to install, and saves overall life cycle cost.

Hoffman Engineering is a Lockheed Martin Approved Manufacturer, and this innovative, drop-in solution will replace existing incandescent lights.

Please contact info@blueaero.com for pricing.

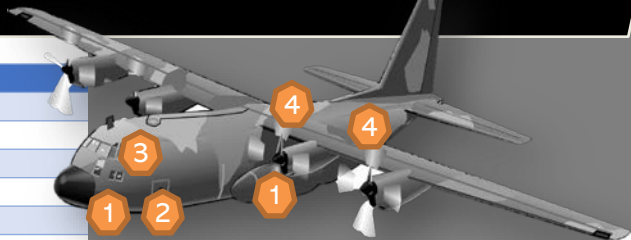

C-130

Interior & Exterior LED Lighting Conversion

Part Number	NSN	Description
561-1069-001	6220-01-518-3821	NVIS White Post Light Hood Assembly
561-1073-001	6240-01-519-8775	NVIS T-1 3/4 Flare Base Lamp Incandescent 28V Green A
561-1073-002	6240-01-519-8776	NVIS T-1 3/4 Flare Base Lamp Incandescent 28V UK Red
561-1073-003	6240-01-519-8777	NVIS T-1 3/4 Flare Base Lamp Incandescent 28V Yellow B
561-1073-004	6240-01-519-8778	NVIS T-1 3/4 Flare Base Lamp Incandescent 5V Green A
561-1073-005	6240-01-519-8779	NVIS T-1 3/4 Flare Base Lamp Incandescent 5V UK Red
561-1073-006	6240-01-519-8780	NVIS T-1 3/4 Flare Base Lamp Incandescent 5V Yellow B
561-8310	6220-01-320-2572	NVG Compatible MS25010 Lamp Assembly
721-1136-003		Low profile floodlight
721-1194-001	6250-01-549-4683	LED Non Indexed Bayonet, Single Contact Base Lamp
721-1237-1028		Cargo Bay Floodlight (*Replacement of MS28916-307, -211 dome light)
723-0014-001	6210-01-542-3739	NVIS Green A Glare Shield Lighting Assembly
723-0014-003	6210-01-542-3736	NVIS Green A Glare Shield Lighting Assembly
723-0014-005	6210-01-542-3734	NVIS Green A Glare Shield Lighting Assembly
723-0014-007	6210-01-542-3728	NVIS Green A Glare Shield Flat Lighting Assembly
723-0014-008		Step Light with LOGO NVG Lighting Assembly
723-0014-009		NVIS Green A Floodlight
723-1078-201	6220-01-491-1898	NVIS White Utility Light (*Replacement for cockpit "C-4 light")
723-1079-201	6220-01-515-7222	NVIS White (Incandescent) Floodlight Hood
723-1099-001	6220-01-515-7225	HEC NVIS White 5V LED Cap Light
723-1211-1000	6220-01-518-3816	Dimming Rheostat Assembly
723-1211-2000	6220-01-518-3820	Dimming Rheostat Assembly
723-1214-001	6220-01-518-3820	NVIS Filter Assembly
723-1269-001	6250-01-549-4681	NVIS LED Non Indexed Bayonet, Single Contact Base Lamp
723-1283-401		High Impact Glass NVIS Friendly Floodlight
730-1002-001		Cargo Bay Lighting Controller
751-1005-001		PAR64 Landing light (*Replacement for Q4559X halongen lamp)
751-1022-***		PAR46 Taxi / Turnoff (*Replacement for PN 4554 and 4551 series)
751-1021-***		PAR36 Logo light

PAR 64 Landing Light
751-1005-001

Low Profile Floodlight
721-1136-003

Cockpit Utility "C-4" Light
723-1078-201

Cargo Bay Floodlight
730-1002-001

Benefits of Hoffman LED vs. incandescent

- ✓ > 600% Power Saving
- ✓ 50,000 vs 100 operating hours
- ✓ Superior visibility
- ✓ Significant return on investment cost
- ✓ Drop in Solution
- ✓ Aircraft OEM / USAF Approved
