Powering Business Worldwide

Blue Aerospace, in partnership with Eaton Mission Systems, is pleased to offer **complete wing (370gal) and centerline (300gal) fuel tank assemblies, now available from stock.**

These former USG new surplus tanks will be fully tested and re-certified by Cobham for either outright sale or on exchange at prices shown at left.

Eaton has designed, qualified, and manufactured more than 30,000 tanks for the F-16 aircraft. Blue Aerospace, as the Eaton distributor for these systems, can now offer full support from Cobham via direct commercial sale.
