F-16 Transparency & Dry Seal Spares / Refurbishment

*Manufactured and
Serviced by.....*

Blue Aerospace, as the Lockheed Martin Aero authorized F-16 distributor and exclusive partner to PPG (formerly Texstars), is pleased to offer all major transparency & dry seals, in addition to a comprehensive "strip & re-coat" refurbishment option - manufactured and serviced by PPG.

PPG transparencies & dry seals have been installed on F-16 operator aircraft world-wide for decades, including new production aircraft, along with successful refurbishment of existing canopy units since the mid-1980s.

“Strip & Re-coat” Refurbishment Option:

- ✓ Process is in accordance with all USAF T.O.s and approved by LM Aero
- ✓ Removal of barrier coating and detailed inspection to gauge repairability
- ✓ Both inboard and outboard coating removed
- ✓ Polycarbonate surfaces refurbished and coatings reapplied
- ✓ Final inspection, including optical evaluation
- ✓ Refurbished unit returned in “serviceable” condition with 1 year warranty
- ✓ **Cost savings!** – refurbishment option is ~ 50% of the cost of FN replacement
