**Subject: F-16 Transparencies**

To whom it may concern,

This is to confirm that Texstars, LLC dba PPG Aerospace (Cage 12849) has entered into an exclusive distribution agreement with Florida based Blue Aerospace (Cage 1WZW9). Per our joint agreement effective April 30, 2024, Blue Aerospace will support foreign end users with the supply of materials which PPG manufactures including F16 Transparencies, related maintenance material, dry seals, and hardware.

PPG encourages all end-users to engage Blue Aerospace for long term planning on these items. Production slots are very tight, and the sooner orders are placed, we can secure those production slots.

If additional information is required, please feel free to contact the Military Segment Manager, Skyler Mathis at [smathis@ppg.com](mailto:smathis@ppg.com).

Thank you for your consideration,
